

New Member's Q&A

What's my title now that I am a member, and where can people see it?

Once you enter as a member into the CMC-Global Institute, you are a **"Full Member"**, **"Affiliate Member"**, **"Student Member"** or **"Emeritus Member"** depending on your type of membership with the Institute.

The CMC-Global Institute lists all active members in its webpage, at the URL: <https://www.cmcgi.org/content/find-consultant>

What other designations can I have as a member?

CMC® Certified Consultant

When a new member enters the Institute, it can opt to start the process to become a CMC® Certified Consultant and you can use the designation **"CMC® Candidate"** during the time you are in the process (which can be from 2 to 6 months depending on your individual case). If you are approved (if you pass the examination) during the assessment, then you can use the designation **"CMC® Certified Consultant", that has to be renewed every 3 years.**

ISO 20700:2017

When you pass the course for the ISO 20700 Checklist Training you get to be listed at the global ISO 20700 site as a **"Trained in the ISO 20700:2017 Guidelines for Management Consultancy Services by ICMCI"** ([CMC Global Institute - List of Trained Consultants | ISO \(iso20700.org\)](#)). You can also use the logo provided to you when the diploma is sent.

Registered Consultant et al. Alumni

The CMC Global Institute is creating a number of programs for its members, from the Registered Consultant program, to the Strategic Collaboration Partner program, the Ambassadorship Program and others. In any of these programs you may list them next to your name in the following manner:

- Currently in the program: [name of program, current year]
- Past participant of the program: [name of program, Graduation Year or Participation Years]

As a general guidance, you may use a designation such as:

- *[Your Name] - GI Ambassador 2021,*
- *[Your Name] - Registered Consultant Program 2022 Edition or*
- *[Your Name] - Strategic Collaboration Partner 2021-2024*

But each individual program will indicate the specific designation instructions.
